Dear Mr. Wu:

On August 16, 1985, as you are most aware of, our companies were requested to assist your organization at the 122nd Street & Cottage Grove site. This, in fact, we did.

At that incident we used 305 gallons of A.F.F.F. foam. In accordance with your letter of August 16, we are requesting replacement of said foam.

Delivery of the foam can be made at the fire department shops located at 31st and Canifornia.

Your prompt attention to this matter will be appreciated.

Sincerely,

Ronald Maloney  
Deputy Fire Commissioner  
Fire Suppression and Rescue
